POWERSFUL PLAYGROUPS

Playgroup Queensland provides opportunities for parents and children to engage in a rich learning environment where developmental opportunities are abundant and foundations are built for:

- Literacy and numeracy
- Socialisation
- Emotional behaviour
- Physical development

Eungella State School is commencing a registered playgroup each Friday (commencing 7th August), 9.30 to 11.00am. School based playgroups provide families with familiarity of local school grounds; introduce families to school staff; encourage trusted and secure relationships between families and schools and encourage positive transitions from young age to kindergarten to Prep.

Parents of young children aged 0-5 are welcome to attend the playgroup at Eungella School. Playgroup family membership is free, with a small weekly attendance fee of $2 per child. With a stimulating indoor play area as well as a large sandpit and playground, this is a fantastic place to meet other parents and allow your children to socialise in safe

Brilliant Birdlife
At Eungella School, we value the beauty and intricacy of our unique environment. We are so fortunate to live in this wonderful part of the world.

Guest speakers, Daryl, Patricia and Laura, attended our recent parade and presented an informative session on the local birdlife in the Mackay and Eungella area. Students learnt names, characteristics, habitats and diets about these birds. Each student received a small package of information to share with their family.

Eungella Honeyeater
Could I make a request to all local Eungella residents who are interested in their local wildlife and birds in particular to become involved in the future of this bird. Can you think of a simple way that residents could enter their sightings of the Eungella Honeyeater into a data base? It would help no end with our current efforts to secure more knowledge of the habits and movements of the bird throughout the years. Each entry would need to include the following information; Location, date, time of day, weather, about how many, call only, sighting only, what were they doing (feeding on blossom, being chased by other birds, etc) plus anything else of significance.
