ARTISTS IN RESIDENCE BEAUTIFY SCHOOL
WITH STUDENT PROJECT

Eungella students in Years Four, Five and Six have undertaken a massive art and technology project this term. With the guidance and support of Artists in Residence, Jodie Maloney and Jenni Hanna, students explored various art design techniques before co-operatively developing a design for the mural wall on our tennis court. The final design encompasses our school rules—Respect self, Respect others, Respect the environment—as well as individual blocks of student flair.

Miss Jodie and Miss Jenni encouraged students with their individual abstract and graffiti block designs. The result is amazing!!! With final touches to be done to the top of the wall by our Artists in Residence, the students should be extremely proud of their artwork. Eungella School would like to sincerely thank Miss Jodie and Miss Jenni. What an inspiring and beautiful background to our playground!!
RURAL SAFETY DAY

Year 3 to 6 students travelled to Marian School this week to attend a Rural Safety Day, sponsored by Mackay Regional Council.

Some reflections from students:

♦ My favourite part of Rural Safety Day was reptiles and poisonous plants. I got to hold the bearded dragon and pat the olive python.

♦ We also talked about two toxic plants. They explained how if you ate the first plant you would get sick and projectile vomit. The second plant, if eaten, you would need to be taken to hospital straight away as your throat would swell up.

♦ I liked the electricity safety talk. They told us stuff like don't use broken cables and told us how to be safe. I liked it because I'm interested in how electricity works.

PET AND PEOPLE EDUCATION

On Friday last week, the Pet people educator, Ms Debbie came to our school. She bought Tiny, her stuffed dog. Miss Debbie taught us how to protect ourselves from aggressive dogs and how to clean up dog scat with a bag. It was interesting and funny.

KEEP A WATCH ON OUR SCHOOL THESE HOLIDAYS

If you see anything suspicious at our school over the holidays, call the School Watch number – 13 17 88. Please don't attempt to intervene.

ELECTRICITY SAFETY WEEK

Students learnt all about being safe with electricity last week. We created electricity safety logos and posters. On Friday we dressed as Superheroes.

Our school term ends this Friday with our A+ Activity in the morning session—Sports Rotations. Please remember to bring hats and water bottles.

Congratulations to Prep-3 classroom for winning the Attendance Cup the most times this term. They have won a PIZZA LUNCH which they get to cook in the kitchen on Friday. YUMMY!!!

Term 4 commences on Tuesday 6th October 2015.

Saw my teacher on a Saturday!
I can't believe it's true!
I saw her buying groceries,
like normal people do!

She reached for bread and turned around,
and then she caught my eye.
she gave a smile and said "HELLO"
I thought I would die

"Oh, hi...hello Mrs Atkins"
I mumbled like a fool.
I guess I thought that teacher types
spend all their time at school.

To make the situation worst
my mom was at my side.
so many rows of jars and cans.
so little room to hide.

oh, please, I thought don't tell my mom what I did yesterday!
I closed my eyes and held my breath hoped she go away.

Some people think it's fine to let our
teachers walk about.
But when it comes to Saturdays
they shouldn't let them out.

Have A Safe and Relaxing Holiday to all our Children and Parents

From the Eungella State School Staff

See you all on Tuesday the 6th October
HELLO & WELCOME
A lot has happened at the centre in the last month.
We have recently had 1 of our beautiful Educators and children finish up to move on to bigger and better things. Miss Emma and her son Little Pete will be very missed!

Due to Miss Emma leaving, we have now got Miss Ingrid back filling in.

*Thank-you Miss Ingrid for stepping into this role of Assistant so quickly.

With the end of the year drawing closer, it is time to start thinking about 2016. Did you know we have a Kindy Approved 4 year old kindergarten program? This is run by our qualified teacher Miss Jess. Please feel free to have a chat with Miss Jess for more information.

If your child is set to move up to the next room in 2016, please do not hesitate to chat with us about the transition.

PPC NEWS
We have had a wonderful past month in the daycare service. The children are loving being outside in this beautiful weather.

Con all parents please remember to pack at least two spare clothes next term as we plan to be doing lots of messy and water play. Please make sure all of your children’s clothing is labelled to avoid lost items.

The children love pretend cooking outside, so we are hoping to do some real cooking once a fortnight in term 4.

Until next term stay safe and happy holidays

With imagination a stick can be a magic wand, a sock can be a puppet and a small child can be a superhero.

Position Vacant on our Volunteer Management Committee
The VMC meets once a month to discuss and contribute to center issues, research, ideas and plans for the future, support staff recruitment, finances, work health & safety as well as offering positive and valuable support. We have recently lost a committee member (secretary). If you are interested in joining the committee please see Miss Julie (Director) or Miss Jessica (ECT)

National Quality Standard 2 Children's health and safety 2.1
The center focuses on safeguarding and promoting children's health and safety. The educators here at Platypus Playcare are having a holistic approach to recognize the connectedness of mind, body and spirit. Educators provide a range of active and restful experiences throughout the day and support children to make appropriate decisions regarding their participation in activities and experiences.

KINDY NEWS
It is hard to believe that we are already at the end of Term 3.
We have had a great 10 weeks learning through play and developing our shared understandings of Listening, Connecting, Exploring and Engaging.

Our Kindy service received an assessment and rating visit from the DETE at the beginning of September. Our service will be given a rating for the 7 quality areas and an overall rating based on these results. The assessment and rating system is designed to support services to improve in areas that impact on a Child's development and to help families understand the quality of education and care provided by a service.
Ratings will be published on the MyChild website at www.mychild.gov.au and on the ACEQOA website at www.aceqa.gov.au

The focus for Term four will be about transitions. We will be preparing our Kindy children and families for a smooth transition into Prep for 2016.
We will work closely with the families and schools to ensure your child gets the best start at 'big' school. We will be also helping our day care children transition into Kindy. We will keep you posted about key dates for our transition plans.

Enjoy your holiday and I look forward to seeing you all for another wonderful term filled with learning and play.

Health & Safety Reminders
- Never leave children unattended in cars whilst dropping off or collecting children.
- Always hold hands when arriving or leaving. Car parks are dangerous places for children.
- Never leave a door or gate open.
- Never leave our children unattended in a room.
- Always put your child in a fitted child car restraint.
- Please ensure that you let us know if someone else will be picking up your child. They will need to be on your emergency contacts list.
