**WORLD VISION STUDENT GROWING UP**

Eungella State School World Vision child, James Kaemba is now in Grade 2. Each year, school receives an update on James’s progress and this year we would like to share this with the community.

James lives in Zambia with his family. His health is good. His family lives in an unburnt brick house, where he enjoys playing with friends in his spare time. On weekends, he watches other children play football. James’s favourite colour is brown and his most precious thing that he has is his shoes. His family grows cabbages and the community grows beans. When James grows up he wants to become a driver.

The biggest challenge for his community is clean water. Last year, the community benefited through World Vision by receiving school furniture.

At Eungella School it is important for students to appreciate the wonderful environment they live in and the opportunities that exist for their lifestyle to be so free.

In Week 5 and Week 6 of our school term, the school will be placing “Smile Boxes” around in the community for monetary donations for this World Vision sponsorship. Thank you for your support.

PREP TO YEAR THREE
NEWS

Term three was a very busy time for the prep to three classroom. We had a fantastic time learning all about the Great Barrier Reef and we are very excited to be visiting it this term on camp. The children created their own Great Barrier Reef in the classroom and wrote fantastic information reports and acrostic poems on their favourite animal in the ocean. In Science and Geography we discussed the importance of the Great Barrier Reef and ways we can help protect the reef. The children developed their own ‘Save The Reef’ poster using publisher. Check out our amazing work!!!

Australia Day 2016

Dear members of the Pioneer Valley Community,

Once again we are endeavouring to provide the Pioneer Valley community with their own unique Australia Day celebrations. You may think we are approaching you very early, however to organise such a large event we need to start now to arrange for awards, entertainment, venue, catering, speaker, etc.

Some background,: Australia Day ceremonies in the Pioneer Valley have been a tradition in the Valley since Mirani Shire Council was formed. Each year the Australia Day ceremony was held in a different town of the Pioneer Valley to allow all members of the community to benefit from holding the event in their town. As the population grew so did the necessity to hold our Australia Day somewhere where we could have an all-weather venue for the 400 to 600 members of the public who attended. This prevented the smaller towns from being able to hold Australia Day, but did not prevent them from being asked to cater for the morning tea on rotation with the other schools in the Valley. The Pioneer Valley Australia Day has always held a free morning tea for those attending with soft drinks and water being available for purchase. The Valley District Youth Council organise the games held after the ceremony, which include thong throwing, cooce competitions etc.

When the amalgamation of Mirani, Sarina and Mackay Shire Council to form Mackay Regional Council occurred, the council slowly removed their participation in holding these local celebrations. 2015 was the first year not to have council participation and we, the committee, had to apply for funding from council for a maximum of $2,000. At this stage we will apply once again in October to Council for funding assistance for 2016. The maximum amount they are willing to give any community group is $2,000 and there is no guarantee that our community group will be successful. To provide this very special annual event for the community we will need to raise between $4,000 and $5,000.

The Australia Day Committee is approaching all business in the Valley & asking whether they would like to sponsor the day. There are three levels of sponsorship being Gold $200 >; Silver $100> and Bronze $50 >. Please see attached for information on sponsorship details. Pioneer Valley Tourism and Development Association is auspicing the Pioneer Valley Australia Day committee, therefore any sponsorship/donations cheques are to be made out to them for receipt. A tax invoice is available on request.
We would be glad to have any members of the Pioneer Valley community on the Australia Day committee. Venue for 2016 is still to be decided as we are waiting on confirmation, but will either be in Finch Hatton or Mirani.

**Pioneer Valley Australia Day Awards**

Award applications for the Pioneer Valley Australia Awards are now available on Pioneer Valley face-book page and will be available at business and post offices throughout the Pioneer Valley from Walkerston to Eungella in the near future. The committee would like to see all community and sporting groups nominate at least one person or group for an award. These awards are completely separate from the Mackay Regional Council awards for the region seen on their web site.

**Invitation to Community & Sporting Groups**

The committee would like to offer all Groups Community & Sporting Groups the opportunity to have a display promoting their group/club on Australia. We believe giving the local community the opportunity to see what the Valley has to offer all ages. Please provide your own shelter as we do not have enough room inside the building for everyone. We also ask that no group hold any raffles on the day as this is the prerogative of the committee.

Yours sincerely,

Vern Lindbergs
