LIFE EDUCATION

Today, students participated in Life Education programs, including a lesson in the Life Education Van, as well as receiving a follow-up workbook.

P-3 MODULE: 'Harold's Mystery Tour' –The class joined Harold and his friends on a mystery tour where they experienced an 'Amazing Body Adventure'. The children explored appropriate remedies when feeling sick, issues of safety and ways to cope when feeling pressured.

4-6 MODULE: 'bCYBERWISE' – The children explored 'netiquette'; (Internet etiquette) and Cybersafety issues through role play and interactive activities. They explored how to establish positive respectful relationships and to report negative experiences to a responsible adult that they trust.

The cost for Life Education is \$6 per student. This fee was included in the school levy at the beginning of the year. If you have not paid this levy, a request for the \$6 will be sent home today attached to this newsletter.
