ERGON ENERGY ELECTRICITY SAFETY WEEK 7-11 SEPT

This week our school is participating in an important safety program that aims to teach your children how to be safe around electricity and make them more aware of the dangers that can be associated with it.

Students will receive an activity booklet and certificate for completing various activities throughout the week.

Friday 11th September will be our culminating activity.

Students can dress as their favourite super hero.

Students can win prizes for creating an ENERGY SAFETY HERO logo on an A4 sheet of paper. Entries for the logo competition close on Thursday 10th, with winners announced Friday 11th.

Further information is available at ergon.com.au/safetyheroes

AVA Pet & People Education

On Friday students will also participate in lessons on responsible pet ownership. Guests organised by the Australian Veterinary Association will visit our school and teach students about pet care, vaccinations, training, welfare, registration and caution around strange animals. We ask that students bring a gold coin donation for the AVA Education Program.

SCHOOL CAMP

All parents of students going on camp should have received their invoices for camp deposit and camp balance. Part payments are welcome. Full payment must be completed two weeks prior to camp departure.

A camp newsletter will go home later this week and include

- list of clothing and equipment
- final schedule of activities
- medical/permission forms

Camp is a school-based activity and therefore is covered by our Responsible Behaviour Plan. Attendance at school camp is a privilege and inappropriate behaviour will not be tolerated.

Our staff and students are looking forward to an exciting and enjoyable experience.
