## School Overview

Eungella State School is enclosed on three sides by the lush rainforest of Eungella National Park, 80 kilometres west of Mackay. At this small multi-age school, the vision is to enable the best educational outcomes for each student within a supportive school environment. The school logo, proudly bearing the image of the platypus found locally, is 'Each One Unique, Aiming High'. The curriculum offers children opportunities in all eight key learning areas, with a strong focus on literacy and numeracy. Specialist staff visit the school to assist in the delivery of Japanese, physical education and music. Having healthy bodies and minds is a regular aspect of school life. Children participate in daily brain gym and challenges such as Jump Rope for Heart. In such an inspiring setting, Eungella State School has an extensive environmental program which encourages children to learn, through hands-on activities, to be responsible for its protection. Within the arts program, the school has its own performance experience with African drumming and dancing. Eungella State School plays a prominent role in the life of its township involving parents and the wider community.

## Principal's Foreword

### Introduction

Queensland schools annually publish meaningful information to parents about student and school performance. This document contains important information about Eungella State School's journey in 2017 and can be obtained via the school's website, email or in hard copy from the office.

Our Annual Report provides an insight into some of the fantastic achievements and also identifies our future plans to ensure we are providing the best educational opportunity for each of our students. We are committed to achieving very high outcomes for all students through productive partnerships with our school community.

Eungella State School is a small rural school about 74 kms west of Mackay, within the Pioneer Valley region. The township is situated at the top of the Clarke Mountain Range, with the school located in the township, along Eungella Dam Road.

Eungella State School enrolments are relatively stable. We are fortunate to have very experienced and dedicated classroom teacher aides, learning support staff, office staff and a P&C committee that have been part of the community for a long time. They contribute positively to the school in every way.

## School Progress towards its goals in 2017

In 2017, the school focus was:

### Reading

- Monitor achievement data in reading
- Implement oral language program in Early Years

### Numeracy

- Formulating whole school data practices and building staff data literacies to ensure improvement in student numeracy across the curriculum
- Ensuring teaching strategies are highly effective within numeracy instruction regarding problem solving
- Building teacher capacity to improve student capability to meet the numeracy demands of the curriculum

## Future Outlook

In 2018, we will be implementing the strategies identified in our Annual Implementation Plan. Our major priorities for next year are:

### Reading

- Monitor achievement data in reading

### Numeracy

- Formulating whole school data practices and building staff data literacies to ensure improvement in student numeracy across the curriculum
- Ensuring teaching strategies are highly effective within numeracy instruction regarding problem solving
- Building teacher capacity to improve student capability to meet the numeracy demands of the curriculum

### Teacher Quality

- Implement whole school curriculum and assessment plan with alignment of ACARA across multi-age curriculum setting
- Develop professional practice of all teaching and non-teaching staff through peer observation, feedback, coaching and mentoring

## Our School at a Glance

### School Profile

<b>Coeducational or single sex:</b>	Coeducational
<b>Independent Public School:</b>	No
<b>Year levels offered in 2017:</b>	Prep Year - Year 6

### Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	33	15	18	<5	88%
2016	34	17	17		91%
2017	38	18	20	<5	92%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep\*\* program.

\*\* pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

## Characteristics of the Student Body

### Overview

The Eungella State School student body is very diverse. Many of the students have a parent working in the mines, dairies, tourism or local businesses. Being a rural community, a large number of our students travel on buses from their properties to school each day.

### Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	16	17	21
Year 4 – Year 6	16	17	18
Year 7 – Year 10			
Year 11 – Year 12			

## Curriculum Delivery

### Our Approach to Curriculum Delivery

Through our Whole School Curriculum Program, students are immersed in the Australian Curriculum requirements within our two-year curriculum cycle. Students at Eungella State School are immersed in learning experiences that are differentiated to cater for all learning styles and needs. Throughout 2017, distinctive curriculum offerings included:

- Stephanie Alexander Kitchen Garden: students from Yr 4-6 are involved in developing and maintaining the school garden. In connection with this, students sort their rubbish to be used where possible in the compost, worm farm and chickens. Year 4-6 students prepare and share a delicious, healthy meal each fortnight. Community and parent volunteers are mentors for this program

### Co-curricular Activities

Our school encourages all students to participate in all sporting, cultural and community initiatives. The activities our students engage with are:

- Pioneer Valley Athletics
- Pioneer Valley Cross Country
- Whole School and Leadership camp
- GRIP Leadership Program for Yr 6
- Whitsunday Voices Literature Festival Prep-6
- Mackay Choral Festival Yr 5-6
- Mackay Eisteddfod Prep-6
- Participation in Charity and Recognition days

### How Information and Communication Technologies are used to Assist Learning

With an effective ratio of one computer to two children, students are able to use computers as a regular part of their learning, including searching for information, reinforcing skills through web-based applications and purchased software as well as publishing their work in both paper and digital form. Interactive whiteboards, along with wireless access in all classrooms, has enabled teachers to provide increasingly stimulating learning environments for students.

## Social Climate

### Overview

A whole school philosophy encourages positive interaction between all ages, including staff and parents. The school's Responsible Behaviour Plan outlines the actions taken to ensure positive behavior and consequences for inappropriate actions. Student wellbeing has continued to be a high priority in 2017. Our school continues the weekly Breakfast Club and students enjoy healthy delicious food from the Stephanie Alexander Kitchen each fortnight.

Through our three school rules – Respect Self, Respect Others, Respect the Environment; students actively learn social and emotional resilience, anti-bullying procedures (including cyber bullying), protective behaviours and keys to success.

The school received funding for a Chaplain one day a week in 2017. The Chaplaincy program reinforces our school rules and gives students another avenue for emotional support.

At Eungella State School we have a diverse range of students, from high academic to special needs. As a result, we use differentiation and inclusive practices on a day to day basis or as needed.

### Parent and community engagement

Parents are encouraged to be involved in their child's education and the life of the school. Details of class programs and school events are provided through the weekly newsletter. Weekly parades offer another opportunity for parents to be involved with their child at school. Parents are encouraged to talk to teachers about any concerns by arranging a time after school, with formal interview times being offered during Term 1 and 3. Parent volunteers participate in classroom activities as well as kitchen and garden classes. The active P&C Association invites all parents to attend monthly meetings and participate in a range of activities, including working bees, sports days and fundraisers.

### Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. "You Can Do It" focuses on the five keys to success – organisation, persistence, confidence, getting along and resilience - building emotional and social resilience and guiding students to successful relationships with their peers and other members of their home and school community.

## School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	<5	<5	0
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

## Environmental Footprint

### Reducing the school's environmental footprint

Staff and students monitor the school's use of electricity by turning off all lights at breaks and turning off standby lights at the end of the school day. With only tank water available, the school community has made water-wise choices such as reduced flush toilets and automatic taps as well as increasing the number of tanks to collect water. Solar panels located on our school roof contribute to reduced electrical power usage.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	22,368	
2015-2016	21,391	
2016-2017	16,833	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

### Key Student Outcomes

#### Student Attendance

##### Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	90%	92%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).	86%		DW

\*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	DW	DW	91%	DW	DW	92%	86%						
2016	DW	DW	DW	93%	DW	DW	88%						
2017	DW	93%	DW	94%	DW	DW	DW						

\*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

##### Student Attendance Distribution

Due to small student numbers, the data for attendance distribution has been withheld. However, from 2016 to 2017 there was no significant change in students attending school greater than 90%.

##### Description of how non-attendance is managed by the school

The importance of school attendance is discussed regularly with children at weekly assemblies. Parents are reminded in the weekly newsletter **every day counts**. The newsletter also outlines the current attendance percentage of our students each week and term.

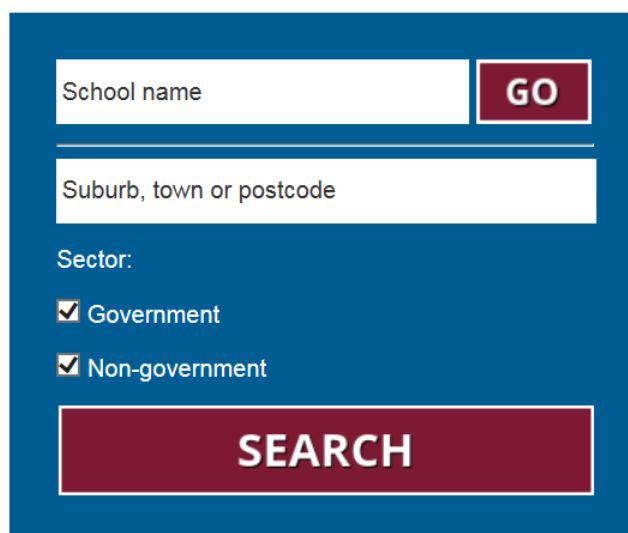

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism. Class rolls are marked electronically twice a day, every morning and afternoon. Parents are asked to email, text or phone the school to explain student absence. Unexplained absences are reviewed daily and parents contacted routinely each morning to confirm a reason for non-attendance.
