### Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

TARGETS	EVIDENCE OF PROGRESS
Ensure that all students in 3/5/7 meet National Minimum Standards in Numeracy and Writing tests or are meeting individual targets as set down in their Individual Learning Goals.	100% of students achieved this goal in Numeracy.  Twelve out of thirteen students achieved this goal in Writing with one student achieving an Individual Learning Goal.
Increase the percentage of Year 5/7 students in the Upper 2 Bands of the Naplan Numeracy test from 0 to 25%	Year 5 increased from 0% to 60% of students in the Upper 2 Bands of Numeracy. Year 7 increased from 0% to 25%. 60% of Year 3 students were in the Upper 2 Bands.
Improve teacher and teacher aide capability to improve student performance	All teachers and one teacher aide were trained in "7 Steps to Writing Success". A Pedagogical Coach worked with staff to analyse student performance and embed the use of Explicit Instruction as a key teaching tool.
